

State Senator

Dear Neighbor:

Looking back over my first term in the legislature, I believe we worked hard together to make Wallingford a better place to live. The Town of Wallingford is a close community with many family-oriented activities.

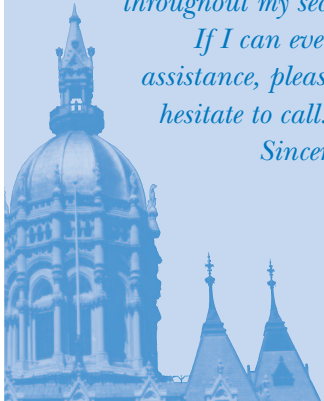

I truly enjoy serving as your state senator, and appreciate you giving me the opportunity to continue our work. Please be assured that I remain committed to serving your needs throughout my second term.

If I can ever be of assistance, please do not hesitate to call.

Sincerely,

Len Fasano

IMPROVEMENTS TO WALLINGFORD

“Working Hard To Benefit You”

WALLINGFORD WAR MEMORIAL: *There can be no tribute too grand for those who have served our country as a member of the Armed Forces. I am proud to serve as Ranking Member of the Veterans' Affairs Committee, and I look forward to advocating on behalf of our veterans as well as our active service men and women.*

QUINNIPIAC LINEAR TRAIL: *Promoting our town's natural resources for recreational use and environmental conservation should be a top priority.*

I remain committed to working for more funding for open space preservation, environmental protection initiatives, and the preservation of farmland in the State of Connecticut.
